LETTER OF RECOMMENDATION

I had the opportunity to work with Mrs. Eliza Wójcik in the area of business coaching.

She has proven the knowledge and skills to identify my areas for improvement as well as to establish ways for development in a ready-for-action form.

I felt the approach was flexible and custom made to my needs.

Eliza has a very calm and open personality supporting an atmosphere of trust and direct straightforward communication.

Based on my experience I decided to offer coaching sessions to my management team.

I can recommend cooperation with Eliza Wójcik with pleasure.
