I would like to confirm, that Mrs Eliza Wójcik, the owner of the consulting and training company ACROPOLIS, cooperates with our company LOTOS Asphalt Sp.z o.o. as a coach since 2013. Mrs Eliza Wójcik provides for our top management individual long-term coaching processes. Her work affects positively to the improvement of management skills, achieve goals and solve problems. These sessions are executed according to innovative methodologies by Robert Dilts or ICC.

At the same time Mrs Eliza Wójcik cooperates with me, as my adviser in issues relating to the business goals for the top management of our company.

The high level of our cooperation and real changes after coaching processes allows to continue our common work in the area of coaching and advice to the board.
